

Taking Cities Part 3: Our Assignment

Taking Cities is about the Children of God leaving the place of bondage and possessing their inheritance.

The promised land is you and I living in our full potential.

City takers are those who remove the unlawful tenants from their real estate.

God says you have an inheritance but you have to drive out the enemy.

2 Corinthians 1:21 Now He who establishes us with you in Christ and has anointed us is God, 22 who also has sealed us and given us the Spirit in our hearts as a guarantee.

An inheritance is something that has been prepared for you.

The spirit is our guarantee that we have something great coming.

**Inheritance requires possession.
Going in requires driving out.**

There are gifts and ministries yet to be discovered inside of all of us.

1. We have to Seize God's vision for our lives.

Personally and as a church, we have some assignments that God has given us.

There is a clear and distinct vision for everyone of us.

God has a personalized vision for your life.

When the Word of God comes into your life and the Logos turns into Rhema you get a vision for our life.

Ephesians 1:17 that the God of our Lord Jesus Christ, the Father of glory, may give to you the spirit of wisdom and revelation in the knowledge of Him, 18 the eyes of your understanding being enlightened; that you may know what is the hope of His calling, what are the riches of the glory of His inheritance in the saints, 19 and what is the exceeding greatness of His power toward us who believe, according to the working of His mighty power.

When Joshua and Caleb went into the promise land something came alive in their hearts.

Numbers 13:30 Then Caleb quieted the people before Moses, and said, "Let us go

up at once and take possession, for we are well able to overcome it.”

You also have potential to take the land.

Philippians 3:14 I press toward the goal for the prize of the upward call of God in Christ Jesus.

Don't wast your time and potential.

You need to realize God has a unique and personalized vision for your life.

2. We need to activate our faith.

Romans 10:17 So then faith comes by hearing, and hearing by the word of God.

Faith is activated when we walk in full obedience.

Partial obedience is not obedience at all.

Full obedience is required to take cities.

We are to pass our faith from generation to generation.

You need you own experience with God.

Every generation needs their own unique and authentic visitation from the Holy Spirit.

If I don't drive the enemies out of my life they are going to grow up big and strong for the next generation to have to deal with.

So activate your faith!

3. You're gonna need some help.

The walk of Faith is not a clean safe comfortable life.

There should be things in our lives that keep us praying and believing for God to show up.

Joshua 10:12-14 Then Joshua spoke to the LORD in the day when the LORD delivered up the Amorites before the children of Israel, and he said in the sight of Israel: “Sun, stand still over Gibeon; And Moon, in the Valley of Aijalon.”

13 So the sun stood still,
And the moon stopped,
Till the people had revenge
Upon their enemies.

Is this not written in the Book of Jasher?
So the sun stood still in the midst of
heaven, and did not hasten to go down for
about a whole day.

14 And there has been no day like that,
before it or after it, that the LORD heeded
the voice of a man; for the LORD fought for
Israel.

What big prayers are you praying.

If God leads you into a situation by faith that is overwhelming. He is fully able and capable of bringing whatever miracle you need.

Don't be surprised if your walk of faith leads you into a place that needs the supernatural power of God to show up.

The life of faith should take us to a greater life of faith.

Sun stand still moments!

What are you going after that requires "The God Factor?"

- 1. We have to Seize God's vision.**
- 2. You need to activate our faith.**
- 3. You're gonna need some help.**
